Good afternoon,

I would like to request that Tri-County Community College be added to the agenda for the next Cherokee County Board of Commissioners meeting (November 12, 2026) to present a funding request for the replacement of three HVAC units and associated piping in our Enloe Building. The total estimated cost of the project is $591,387, with Cherokee County's portion totaling $480,206.

To help offset this cost, we would like to request approval to reallocate $244,745 in previously allocated Cherokee County funding from other projects toward this HVAC replacement. Those projects are, Culinary HVAC Project $38,391. Update to Life Safety Systems on Main Campus $187,158. HVAC Repairs on Enloe, Harper, & Crisp Buildings $19,196. These projects are either on hold to address in later fiscal years or have had repairs that are making the existing HVAC units have a longer life span.

Additionally, we have $114,307 from Clay County's reimbursement of last year's roof replacement project that we plan to apply toward this project. After applying these funds, the remaining amount we would be requesting from Cherokee County is $121,154. This amount is contingent upon Clay County's approval and funding of its proportional share of the project. I have included a project funding source breakdown to easily see all the different funding sources.

Project Funding Breakdown	
Total Project Cost	$591,387
Clay County Portion	$111,181
Cherokee County Portion	$480,206
Reallocated Project Funds	$244,745
Clay County Roof Reimbursement	$114,307
Cherokee County Additional Funding	**$121,154**

I have attached the project quote for your review. I have also included our updated Five-Year Capital Projects and Maintenance Plan, which outlines anticipated capital projects and maintenance needs for the current fiscal year (2026–2027) and the following five fiscal years. This plan is intended to provide the County with a broader picture of the College's current and future facility needs and assist with long-term planning and budgeting.

Please note the total project cost is the sum of the base bid of $505,687 and the option to install all new piping of $85,700. We have to have either the branch piping only or all new piping. We are asking for all new piping along with the base bid to replace the units to avoid any further issues in the future.

We would appreciate the opportunity to present this request to the Commissioners, discuss the need for these replacements, and answer any questions they may have. Please let me know if we can be added to the agenda or if any additional information is needed beforehand.

Thank you for your time and continued support of Tri-County Community College.

Randy,

I recommend a fee of $200 per day for use of the arena. I recommend $50 per day if arena lights are used I also recommend deleting the sentence about service equipment.

Subject: CCSC lease

Updated from discussions. We added the 30 day notice language but they also added ability to negate should a circumstance be egregious where a 30 day notice would not be advisable.

Per the language, the Board will need to adopt a fee schedule (FEES - 11.).

Take note of item 14 as Finance would need to track any such revenues and associated expenses.

Item 16 - Board would need to determine the flat fee cost for use of such lights should that occur during the term of the lease.

Item 17 - County Manager would still need Board approval for structural changes and all would need to flow through code enforcement as required.

Item 18 - For Daniel's benefit and scheduling. Would not recommend that "The COUNTY shall provide the annual servicing for the said equipment"... as we would be agreeing to cover the annual cost of servicing equipment not owned by the County. No cost is identified so this is left rather open ended.

Concerning each entity's use of the other's areas for parking in support of large events - it is my understanding that both organizations are agreeable to working with and supporting one another by allowing use of associated parking areas.

NORTH CAROLINA

CHEROKEE COUNTY

ARENA LEASE

THIS LEASE made and entered into this the____ of October 2026 by and between the **COUNTY OF CHEROKEE**, a body politic and a political subdivision of the State of North Carolina, **LESSOR** and the **CHEROKEE COUNTY SADDLE CLUB, INC.**, a North Carolina non-profit corporation, **LESSEE**.

WHEREAS, the Cherokee County Saddle Club, Inc. (hereinafter referred to as "the CLUB" or "the LESSEE") desires to lease from the County of Cherokee (hereinafter referred to as "the COUNTY" or "the LESSOR") a portion of the Cherokee County Farmer's Property known as and designated as the NORA STARKS MEMORIAL HORSE ARENA and surrounding area (hereinafter "the ARENA") under the terms and conditions hereinafter set forth in this Lease.

NOW, THEREFORE, in consideration of the foregoing and mutual promises and covenants contained herein, the parties do hereby stipulate and agree as follows:

USE AND SCHEDULING:

1. The COUNTY agrees to allow the CLUB use of the ARENA for its public events and functions in exchange for performing certain services.

2. The COUNTY agrees that the CLUB is not leasing any buildings on the property and is not responsible for any loss or damage to buildings. This Lease shall also include the non-exclusive use of the following facilities associated with or adjacent

to the ARENA: the concession stand; the rest rooms located in the concession stand; parking areas adjacent to the Livestock Sales Building; the old salt storage shed; and the announcer's box. Other organizations may be allowed to use the ARENA, concession stand, restrooms, parking areas adjacent to the Livestock Sales Building, the old salt storage shed, and announcer's box from time to time, provided no such use will conflict with a previously scheduled CLUB event.

3. The CLUB agrees to handle all scheduling of events at the ARENA, whether those events are CLUB events, the COUNTY's events, or other community events. The CLUB shall keep a current calendar of all scheduled events through the use of a web-based calendar such as Google calendar(s) or through the CLUB's own website.

4. The COUNTY agrees that the CLUB events that have been previously scheduled will be given priority for the use of the ARENA, but only so long as there are no previously scheduled events, the CLUB agrees that the use of the ARENA will be on a first come basis.

5. The CLUB agrees to operate, maintain and schedule the ARENA as a venue for typical horse arena, animal, and livestock events. As for scheduling any other activities and functions, the CLUB agrees to seek advance approval from THE COUNTY, by and through CES. The CLUB shall have the right to manage and collect fees for practice riding. Practice riding is available when no events are scheduled at the ARENA

6. The CLUB and the COUNTY agree to establish written rules and guidelines for the use of the ARENA, which will be made available to all who use the ARENA.

7. At the time inquiries are made to the CLUB about scheduling events, the CLUB agrees to provide full information about such things as requirements for insurance, deposit, clean-up, and all rules and regulations.

8. The COUNTY agrees that a representative of the CLUB shall serve as a liaison between the CLUB and the COUNTY and CES.

9. The CLUB and COUNTY agree that NO JOINT AGENCY OR PERSONNEL is created by this agreement. Both the CLUB and COUNTY agree that the CLUB is not an agent of the COUNTY and no employee of the CLUB shall be entitled to any COUNTY employment benefits, such as, but not limited to, vacation, sick leave, insurance, workers' compensation, or pension and retirement benefits. Control of CLUB personnel, standards of performance, discipline and all other aspects of performance shall be governed entirely by CLUB. No joint agency is established by this Agreement. This Agreement does not create a partnership, joint venture, other joint endeavor, joint ownership, joint operations or personnel sharing of any kind. No joint personnel are needed by the parties in order to carry out the obligations under this Agreement.

FEES:

10. All fees for CLUB events collected by the CLUB will be used by the CLUB to fund its activities and to pay its own costs and expenses.

11. For all non-CLUB functions held at the ARENA, the COUNTY shall establish a fee schedule which shall provide use fees for both non-profit and for-profit organizations. The fees may include a flat usage fee and/or percentage of entry, class, or other fees. These fees may vary, depending on the type and purpose of the event.

12. The fees for any non-profit organization may be waived by the COUNTY on a case-by-case basis and in the sole discretion of the COUNTY.

13. The COUNTY shall have the discretion to waive or adjust fees when deemed appropriate in the sole discretion of the COUNTY.

14. The COUNTY shall use all fees paid to the COUNTY from functions held at the ARENA for repairs, maintenance and capital improvements to the Mountain Folk Center.

EXPENSES AND MAINTENANCE:

15. The COUNTY agrees to provide electrical and water/sewer utilities for the ARENA, but the COUNTY shall not provide cable or satellite television signals, telephone or internet for the ARENA. However, if an organization, including the CLUB, uses the ARENA lights, a flat fee of cost for the use of the ARENA's lights shall be charged to that organization.

16. The COUNTY agrees that CLUB and all organizations and groups utilizing the ARENA shall be responsible for all their own expenses, set-up and clean-up, except utilities as mentioned above.

17. The CLUB agrees to get advance written approval from THE COUNTY either from the Chair of the Board of Commissioners or the County Manager for any structural changes or improvements to ARENA.

18. The COUNTY agrees to be responsible for all structural repairs which are necessary in providing normal maintenance to the facility. The COUNTY will maintain the entrance road from U.S. Highway 64 and the road which is used to access the ARENA. The COUNTY will bush hog the grounds at least four (4) times per calendar year and will work with the CLUB to schedule the bush hogging at the most opportune time so as not to interfere with any CLUB activity or in support of a scheduled CLUB activity. Other maintenance such as weed trimming and grass cutting beyond the aforementioned bush hogging will be the responsibility of the CLUB. The CLUB and its members agree to indemnify and hold the COUNTY harmless from any accidents or injuries as a result of the use of said equipment. The CLUB shall be responsible for all costs associated with the operation of said equipment such as fuel, oil, and trimmer line. Repairs to said equipment as a result

of CLUB's use shall be the responsibility of the CLUB. The COUNTY shall provide the annual servicing for the said equipment. The CLUB agrees to provide all other general maintenance and minor repairs as a result of their use of said equipment at its own expense.

19. The CLUB shall supply equipment, tools, materials and/or supplies to accomplish the functions of the CLUB.

20. The COUNTY shall not be responsible to the CLUB for any expenses paid or incurred unless otherwise agreed to in writing by the COUNTY.

21. The CLUB shall, at its sole expense, maintain throughout the term of this Agreement: (a) commercial general liability insurance covering bodily injury, personal injury, and property damage arising out of the CLUB's operations, events, activities, participants, volunteers, and invitees at the ARENA, with limits of not less than **$1,000,000 per occurrence and $2,000,000 aggregate**; (b) participant accident coverage, if applicable to the CLUB's activities; and (c) property insurance covering loss of or damage to all CLUB-owned or leased equipment, supplies, inventory, and other personal property located at the ARENA, in amounts sufficient to cover the full replacement value thereof. The COUNTY shall be named as an **additional insured** on the CLUB's commercial general liability policy with respect to the CLUB's use of the ARENA, and the CLUB shall provide certificates of insurance evidencing the required coverage upon request.

22. The COUNTY shall maintain commercial general liability and premises liability coverage applicable to COUNTY-owned facilities, including the ARENA, with limits of not less than **$1,000,000 per occurrence and $2,000,000 aggregate**, or such higher limits as may be maintained under the COUNTY's governmental risk pool, self-insurance program, or liability insurance program. Each party shall be responsible for the insurance coverage required by this Section with respect to its own operations, property, agents, employees, and activities.

23. The CLUB agrees to indemnify and hold the COUNTY harmless from any and all liability arising from the CLUB's use and occupancy of the ARENA, including attorneys' fees.

TERM OF AGREEMENT:

24. This agreement shall be effective on the last date that a party affixes its signature and shall continue for 9 years.

25. In the event the CLUB shall commit waste or in any way fail to adhere to the terms of this agreement, the COUNTY may terminate this Lease with 30 days' notice and take possession of the ARENA at the expiration of the 30-day notice; provided, however, that the COUNTY shall give CLUB written notice of any alleged default and CLUB shall have 30 days from receipt of such notice to cure the default (or commence a cure if the default cannot reasonably be cured within 30 days) before

the COUNTY may terminate the lease unless the Board of Commissioners determines that the CLUB's conduct is so egregious as to warrant immediate termination of the lease with instant possession of the ARENA by the County without notice or the opportunity to cure by the CLUB.

26. This Agreement may not be assigned by the CLUB without the COUNTY's prior approval which shall be in writing.

27. No change, modification or waiver of any term of any Lease shall be valid or enforceable unless it is in writing and signed by the appropriate authorized COUNTY and the CLUB officers or officials. This Lease constitutes the entire agreement between the parties and supersedes all prior agreements or understandings between the parties.

In Testimony Whereof, the parties hereto have executed this Lease by and through its duly authorized officers or officials on the day and date first above written.

Subject: park hours

Randy & Maria,

I was invited to the Murphy City Council meeting last night to discuss park hours. I attended and presented the results from the commissioner meeting for park hours. The town council agreed with my recommendation for park hours. They recommended simplifying hours to one time for both areas of the park (the ballfields and tennis/pickleball courts) at 7:00 am - 10:00 pm.

Does this change need to be discussed further at our level or above? I am in agreement that the minor change in time still gives Murphy Police Dept and Cherokee County Sheriif Dept the tool they need to enforce mischief during hours much later than our park hours.

I have already discussed with 911 Addressing that they can do the signage around the park. I have also purchased lockable announcement/reservation boards for the pavilions to post hours and any pavilion reservations.

Please feel free to advise.
